Story Title *
Block/Freeze Debit Card
Description
As a bank customer
I want to instantly block my debit card from the app
So that I can prevent fraud if my card is lost or stolen
Acceptance Criteria *
approved
- Given a card is blocked, when I view my card list, then its status clearly shows "Blocked" with a timestamp
- Given a card is blocked, when I want to use it again, then I can request a replacement or (if temp-locked) unblock it via OTP verification
Additional Info
Any additional information (optional)...
